

Talk to your parents and grandparents about their favourite seaside place. Record what they tell you.

You could record it:  
-by writing sentences  
-as a drawing

Can you invent a new ice cream or ice lolly? Draw your idea and label it.

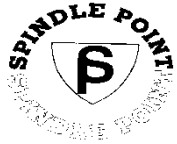

Could you even make it?

Invent your own island. Draw it and label all the features you have included on it.

Write about your favourite seaside place. Where is it? What do you like to do there? Why do you like it?

### Year 2 Learning Log

Our first learning challenge in Year 2 is "Would you like to be beside the seaside?" We will be finding out about the features of seaside places, about what the seaside was like 100 years ago, doing some seashore printing in art and designing and making seaside fridge magnets.

Visit a seaside place. If you can, take photographs of interesting features while you are there.

Make a list of things you would need to pack to take on holiday.

Can you make a poster to tell people all about a seaside place outside of the UK?

Draw a flag of a different country that you have visited.
