Neil Armstrong will always be remembered for being the first man to step on the Moon. On board the rocket was the spacecraft Apollo 11 and three brave astronauts hoping to travel safely to the Moon and back.

The Titanic was a ship which had a disastrous ending. Arthur Rostron (from Bolton) was the captain of the ship which played a part in helping those who suffered from the disaster.

On the night of 7 September 1838, Darling looked out from a window and saw the wreck of a steamship in the stormy water. She then did something which would alter history forever.
